Code: 150

The Polynesians have passed the wisdom of the Noni fruit of the Morinda Citrifolia-through many generations to support good health. Now you can experience these benefits yourself. Enjoy this rare gift.

PRODUCT INFORMATION

The many benefits and uses of Noni have been passed down for generations among the people of the South Pacific. Even though the Noni fruit has been a treasured part of life in the islands for centuries, most people outside of the region are unaware of this powerful fruit.

Morinda Citrifolia, or noni, is one of those rare foods that seems to have great impact on most people. "The Original" Noni From Tahiti is unique because it is pure noni juice with no added fruit juices or water to dilute its natural composition.

It is shipped in a glass bottle and should be kept out of direct light.
