*Daily Value not established.

The powerful Prevail formula combines psyllium seed, black walnut, and cascara sagrada, with other herbal ingredients, including the natural intestinal flora balancer, FloraGenesis.

Cleansing the digestive system, the elimination of parasites, and balancing the beneficial flora are each critical to long-term health. Prevail is formulated to cleanse the digestive tract while maintaining its delicate balance of flora.

Experts agree that for optimal health, a cleanse combining these crucial elements should be performed at least twice yearly.

Directions for use

Take 2 caplets daily for 7 days, then take 4 caplets daily for the next 30 days. Thereafter, take 2 caplets daily as a dietary supplement.

Protect from heat, light, and moisture. Store at room temperature. For adult use only. Always consult your healthcare professional before taking any dietary supplement.
